

**NLA/NEMA 2003 Conference
Evaluation Form & Survey**

Survey

The price for breaks has become problematic. The following shows some of the expenses your conference fee covers. These products usually come as packages; special combinations often cost more per person. Our contract prohibits our bringing in food or having food donated.

Breaks

\$7.01 per person (Thursday AM)	Rolls, croissants, muffins, coffee, and tea
\$5.01 per person (Thursday PM)	Popcorn and soda
\$25 per gallon (Friday AM & PM)	Coffee (20 cups per gallon, \$1.25/cup)
\$25 per gallon (Friday AM & PM)	Tea (20 cups per gallon, \$1.25/cup)
\$20.73	one dozen cookies

To help defray these costs, would you favor:

- Increasing conference fee and keep snacks morning and afternoon Thursday only
- Increasing conference fee and have snacks both morning and afternoon both days
- Reducing breaks to coffee and tea only both days
- Having no refreshments during break times

Desserts

The cost you pay for meals includes the meal, tax, and gratuity. We have tried to choose interesting menus that are not too expensive but many people have expressed the desire for a dessert. Please let us know:

- I would be willing to pay more for dessert (approximately \$5.00)
- I don't want to pay more for my meals
